SAN BERNARDINO COUNTY

Approximately 80% of California Route 66 is located in San Bernardino County. Much of the Mother Road passes through the beautiful Mojave Desert. At times, some parts of the road may be closed or weight restricted due to road or bridge damage from the strong desert rains. Please check for road closures before you travel, by visiting San Bernardino County's web page - <https://dpw.sbcounty.gov/operations/road-closures/>
